**About WARMfest:** WARMfest is a 3-day family-friendly music and arts festival dedicated to helping preserve the White River. WARMfest promotes environmental responsibility, independent business and artisans, and sustainable goods and services through the magic of music, art and culture. WARMfest has a vision to restore and promote the White River to return it to the grandeur of a century ago. The mission is to educate the community to envision this great river as a recreational and visually appealing natural resource. In 2013, WARMfest will realize this vision by presenting a three-day cultural experience in Broad Ripple Park. WARMfest brings together several key Indianapolis cultural groups including Indy Parks & Recreation, Indie Arts & Vintage Marketplace and Broad Ripple Music Fest. A portion of the proceeds from the event will benefit the Carl G. Fisher Society, a non-profit whose goal is to restore the waterfront of Broad Ripple.
